

To Whom It May Concern

This is to certify that **Genomic Valley Bharat Pvt. Ltd.** has provided 16s v3v4 metagenomics analysis and NCBI SRA submission support for our research project.

During the course of this project, Genomic Valley Bharat Pvt. Ltd. delivered comprehensive onsite support, including downstream bioinformatics analysis. Their team contributed significantly through scientific guidance and technical consultation, which helped ensure that the project was designed and executed in accordance with the intended research objectives.

We found their services to be of a high professional and scientific standard. The work was completed within the agreed timelines, and the quality of sequencing, reliability of the data generated, and clarity of the analytical outputs were fully satisfactory. All deliverables were shared in a timely, organized, and professional manner.

We would especially like to acknowledge the dedication, technical expertise, prompt responsiveness, and cooperative approach demonstrated by the team at Genomic Valley Bharat Pvt. Ltd. throughout the assignment. Their continued support and commitment to quality played an important role in the successful completion of this research work.

Based on our experience, we highly recommend **Genomic Valley Bharat Pvt. Ltd.** for advanced genomics, sequencing, and related analytical services. We value their scientific competence and professional commitment, and we look forward to future collaborations with them.
